

Next Steps is an educational program to help high school students identify and pursue the next steps for their future. This 8 week program will provide the tools your teenager needs to begin laying the foundation for their future in a positive, personal and supportive environment.

**Topics Include**

- Where do I go from here
- How do I know what is best for my future
- What is college life like
- What is the work-force life like
- How to prepare for college
- How to prepare for the work-force
- Mock interviews for college and/or work-force
- Future goal plan setting
- Research skill building and round table with professionals
- Financial literacy
- Work ethics

Whether College or entering the work force, the Next Steps program will help students work through fears, challenges and questions concerning their future and provide guidance in making choices that best suit their personal needs.

In addition to the program Hope for Life Coaching will be offering **FREE** one-on-one coaching throughout the program and a once a month follow up with students to help hold them accountable in staying on track. If, after completing the program, students requiring additional assistance, coaching will be offered at a discounted price.
