

Genuine Self Images is pleased to announce a new and highly anticipated program being released this summer!!! **STAND OUT** is a **year long** program created to promote sister hood and insight into what it means to STAND OUT in a society full of conformity. Our model for teaching and implementing this program is done through using the bible as a vehicle for finding answers to life challenges. Stand Out empowers youth to take a stand against unhealthy and ungodly living in a fun, creative, safe, supportive and interactive environment.

Today's youth are faced with various messages every day from billboards to television shows that portray harmful messages often times leading our youth to seek pleasure and fulfillment in ways contrary to biblical beliefs and healthy living.

Stand Out will address various teen topics from building self-esteem to overcoming peer-pressure this fun filled program is lead through:

- Skits
- Open discussions
- Reflections
- Journaling
- Life assessments
- Round Tables
- Community projects
- Role-playing
- And much more...

In addition to the program, parents will have the opportunity to have their child placed in personal Certified Christian coaching sessions tailored to fit all their individual needs.

It's time to get back to teaching our youth how to stand out and become leaders who transform their generation in a Christ centered way.

"Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect."
